

Ontario Municipal Fire Prevention Officers Association 60th Annual Training and Educational Symposium *“Celebrating Milestones Together”*

The Ontario Municipal Fire Prevention Officers Niagara Chapter (OMFPOA Niagara) along with the Ontario Municipal Fire Prevention Officers Association (OMFPOA) would like to extend an invitation to your organization / business to partner with us to support the OMFPOA's 60th Annual Training and Educational Symposium, June 5, 2016 – June 9, 2016. This is the Diamond Anniversary of the OMFPOA and we want you to be a part of making it the biggest and best symposium yet!

The training & education symposium will be held in Niagara-on-the-Lake, Ontario at White Oaks Resort & Spa. The symposium will be attended by fire professionals, building officials, public fire and life safety educators and more from throughout the province and country to exchange ideas and knowledge in order to better protect and serve their communities. It has proven to be a great success in the past and has been generously supported by a variety of organizations each year.

This package has been designed to provide an opportunity for organizations / businesses of all sizes to contribute in many ways. You can participate in the trade show, sponsor our coffee breaks, meals or hospitality events and/or place an advertisement in the Symposium Agenda Program. We will also be taking donations to assist in bringing the best speakers and presenters to the symposium.

Your involvement is essential to addressing fire and life safety concerns and changing them. Show your community that your organization/ business is part of the change and support the OMFPOA's 60th Annual Training and Educational Symposium with a corporate gift and/or donation. The generosity of our donors allows us to do business with you and continue to make our communities safer. It takes everyone in the community working together to create a brighter and safer future.

Depending on which events you choose to participate in, the following benefits are available:

- Company exposure to more than 420 fire department representatives from throughout Ontario as well as many representatives from outside of Ontario. These representatives are Senior Fire Officials, Building Officials, Plans Examiners, Public Educators, and more,
- Opportunity to discuss your product and/or service with Fire Chiefs and Fire Prevention Officers from all fire departments attending the trade show. Company exposure through advertisement in the OMFPOA Symposium Agenda Program to be distributed to all attending delegates,
- Advertisement on the OMFPOA website with a link to your company,
- Company billboard exposure at any sponsored events,
- An opportunity to demonstrate your product, tool and or resource,
- Opportunity to be a corporate sponsor for 2016

If you are interested in assisting in any other way please do not hesitate to contact us. Thank you for your interest in partnering with the OMFPOA Niagara Chapter and the OMFPOA by participating and sponsoring this worthwhile and exciting event. If you have any questions please do not hesitate to contact Vince Giovannini, St. Catharines Fire Prevention Officer at 905.688.5601 ext. 4221 or at vgiovannini@stcatharines.ca

Yours truly,

The 2016 Symposium Organizing Committee
“Celebrating Milestones Together”
