

The Office of the Fire Marshal and Emergency Management

PRESENTS:

Fire Safety Inspection Order Seminar

WHO should attend this one day seminar?

- Fire Chiefs appointed for the fire departments in their municipalities or a Community Fire Safety Officer appointed for the municipality.
- Chief Fire Officials responsible fire safety complaints and requests for assistance to comply with the Fire Code where the involvement of the Chief Fire Official is required.
- Assistants to the Fire Marshal, Chief Fire Prevention Officers, Fire Prevention Officers and Inspectors responsible for compliance with Fire Marshal Directive's, conducting fire safety inspections and *Fire Code* compliance in their municipalities.

WHY should you attend?

Strategies to enhance fire safety in occupancies housing vulnerable Ontarians directly affect the fire service and include enforcement of applicable fire safety standards. Changes have been made to the Fire Safety Inspection Order template to assist the Fire Service in addressing identified contraventions of the Fire Code.

WHAT will you learn?

This one-day training session will assist the student to develop a comprehensive understanding of the application of FPPA Section 21 (1) Inspection Orders, rights of appeal as well as learning effective writing techniques and enforcement of Fire Safety Inspection Orders to address identified fire safety issues with an emphasis on enforcement options and mitigation strategies for vulnerable occupancies. This workshop will educate the student learner so that they will be able to correctly apply FPPA Section 21 (1) and prepare effective Inspection Orders to address identified fire safety issues with the new OFMEM Inspection Order Forms.

Students are required to bring the following materials to each session:

- 1) **Current Fire Code and FPPA, inclusive of all amending regulations.**
- 2) **OFMEM TG 01-2012 Fire Safety Inspection and Enforcement (first 33 pages of the guideline only are required for this seminar)**
- 3) **Note pad and/or laptop optional, pen paper, highlighter and calculator**

**Note: for the most current version of the Ontario Fire Code got to e-laws:
