

61th Annual Ontario Municipal Fire Prevention Officers Association Training and Educational Symposium

Objective:

The objective of this proposal is to provide for one (1) member of a Provincial Fire Prevention Division to attend the 2017 OMFPOA Conference being held in Windsor for free. During these hard fiscal times the OMFPOA Executive Officers would like to assist the membership in attending and obtaining the valuable information that will be shared at the annual conferences. Furthermore, it will allow the selected member to create new networking bridges with hopes it will enhance their initiatives and programs within their community.

This proposal is intended to enhance the lines of communications amongst the area chapters and the OMFPOA Executive Officers. Moreover, it will allow a fire department to attend for free and allocate the associated cost for the symposium to go towards other programs or initiatives within their department.

The sponsorship program will cover the cost of the conference and accommodations, as outlined in the symposium registration form.

Transportation costs to and from the Symposium will not be covered.

Criteria for Applying:

1. Any Provincial Fire Department can apply, however must be in good standing with the OMFPOA. If verification of good standing is required you can contact the OMFPOA Treasurer.
2. The member attending must be from the Fire Prevention Division; this includes public educators, plans examiners and fire investigators.
3. The Chief Fire Prevention Officer must submit a complete application to the OMFPOA Secretary.
4. The complete application must be submitted no later than April 28, 2017.
