Monday Speaker

Michael "Pinball" Clemons, CFL Legend

Few people exemplify the qualities of personal excellence, teamwork, community leadership, and overcoming the odds better than CFL legend Michael "Pinball" Clemons.

With boundless energy, Pinball's talks centre on the potential for each of us to achieve anything we set our minds to. Unabashedly emotional and impactful, he shows audiences how to put heart into everything they do.

Wednesday Speakers

Shawn Simons and Alvaro Llanos

Shawn and Llanos will present their story "After the Fire", a journey of two college roommates from Seton Hall University in New Jersey, who survived a horrific arson fire set by two classmates as a drunken prank. They will discuss their road to recovery and how they travel the world speaking to students in high schools and colleges as well as those in the fire service about the importance of fire safety and prevention education on and off campuses.
