RE: 2019 Annual Training & Education Symposium

The OMFPOA Executive in partnership with the Durham Regional Fire Prevention Officers Association has begun planning the 2019 Annual Training & Education Symposium scheduled June 9th-13th in Durham Region.

In order to provide training that will meet best the needs of the membership; we are currently seeking requests for topics and speakers for this event. Each year during planning, topics and speakers typically fall into the three mandates of the OMFPOA: *Prevention, Public Education and Fire Investigations* and ask that requests fall into these categories.

If you would like to request a topic or speaker, please forward your request with as much information as possible to Ben Trendle – OMFPOA Secretary via email at btrendle@niagarafalls.ca

Should you have any questions, concerns or other suggestions for the 2019 Training & Education Symposium, feel free to contact the undersigned.

Thank you for your cooperation and support in ensuring that we continue to provide exceptional training to our members.

Yours in fire safety,

Ben Trendle
Secretary - OMFPOA
