

Ontario's Building Code Technical Bulletin: Highlights of Amendments to Part 8 of Ontario's 2012 Building Code

Ontario Regulation 88/19, amending Ontario's 2012 Building Code, was filed on May 2, 2019.

This bulletin provides general information on certain amendments that have been made to Part 8 of Division B in the Building Code (Sewage Systems), including the relevant new or affected sections of the Building Code.

Unless otherwise noted, the in-effect date for the amendments described below is May 2, 2019.

For the full range of changes, code users are advised to consult the official source documents, including:

- The Building Code Act, 1992; and
- The 2012 Building Code (O. Reg. 332/12) as amended, and
- Ontario Regulation 88/19

The above documents are available on the [Government of Ontario's e-laws site](#).

Absorption Trenches (8.7.3.2.)

Provisions in the relevant sections of Part 8 have been revised to address pipe spacing for different types of installation for Type I and II leaching chambers.
