Hosted on Canada's legendary Grand Prix race circuit, **24hMosportVelo** is a 24-hour team relay that challenges riders to push their personal limits in support of Special Olympics Ontario. Mixed and single gender teams to a maximum of 10 riders are welcomed. This event provides precision lap timing to track "personal best" performances plus team rankings while also featuring a genuine pit row exchange zone to get riders' senses racing!

This truly unique Grand Prix Cycle Relay encourages friendly competition that focuses on collective fun and fundraising. All event action will occur at Canadian Tire Motorsport Park in a festive atmosphere complemented by its spectacular world-class facilities.
